

Practical advice and financial support for growing businesses

About Us

The founding principles for EFM were simple:

1. Businesses benefit from first class financial advice.
2. Access to the best financial expertise should not be cost-prohibitive.
3. Businesses should only pay for what they need, when they need it and at the right resource level

Why Choose Us?

EFM provides an unrivalled nationwide business support team focused on delivering all the in-person and online financial management advice and tools businesses need to ensure compliance, survival or growth. Our expert network ensures you get the right support – from an individual or a small team – and you get as much, or as little input as you require and only pay for what you need.
